## 7 Standard Colors

## Many Fabric Options

# GERMAN ENGINEERING

## Key Features:

- Choose from stainless steel mesh mirrors, chrome-plated end caps, or a plain design in your color.
- Top choice for quality, ideal for demanding terraces and balconies.
- Red Dot Design Award winner for its outstanding design.

This electric awning features an elegant design with customizable elements such as stainless steel mesh mirrors, chrome-plated end caps, and a sleek color scheme for your terrace or balcony.

# MOTORIZED DROP SHADE

## Key Features:

- Available in multiple colors
- Motorized (remote operation)
- Shade yourself from western sun

Shield your patio and home from the sun's heat. With this feature, you can enjoy a more comfortable outdoor experience and keep your space cool and shaded from low sun angles.

# LED LIGHTING

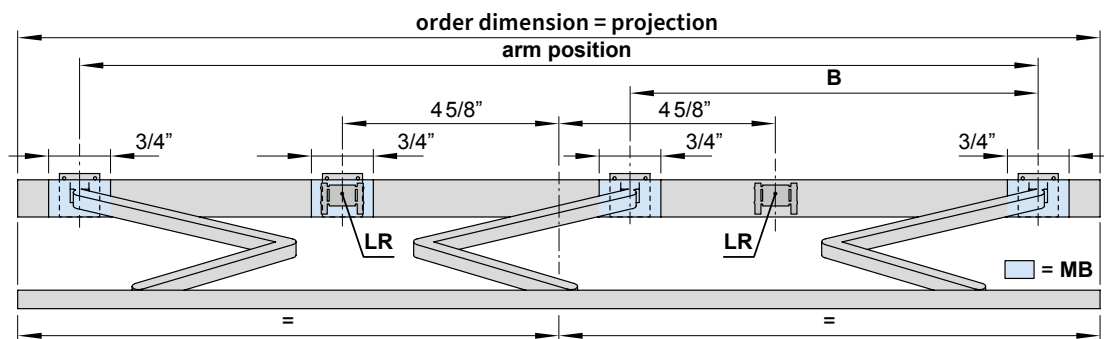

## Key Features:

- Dimmable Lighting (remote operation)
- Spot Light LED lights (optional)

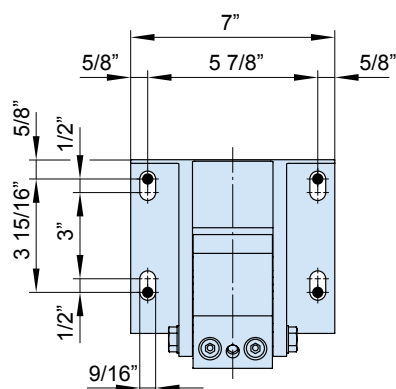

More than just a decorative highlight. Shapely, flexible and energy-efficient, the markilux 6000 illuminates your favorite spot at will.
