7 Standard Colors

Many Fabric Options

EURO FULL CASSETTE

Key Features:

- Protects fabric from weather damage
- Prevents fabric from fading
- Prevents insect and bird damage
- Awning arms retract inside cassette

The full cassette provides protection against weather elements. Additionally, it can be mounted to the wall, below the ceiling, or to the frames using different installation options.

HIGH-END GERMAN RED DOT DESIGN

Key Features:

- Reduced, organic, and harmonious design language
- Appears as if "from one cast" and fascinates in every form and function
- Closed state resembles a single unit, with or without LED lighting
- Exemplifies product design at its best

The MX-2 seamlessly combines flowing design and cutting-edge sun protection, effortlessly adapting to architecture and terrace layouts. Whether closed/open, it epitomizes state-of-the-art sun protection and impeccable product design.

LED LIGHTING

Key Features:

- Dimmable Lighting (remote operation)
- Cassette box LED lights (optional)
- Spot Light LED lights (optional)

Elevate your evening atmosphere with integrated LED lights on your awning. Opt for either LED spotlights or a LED strip on the cassette box for customizable lighting options.
