EURO FULL CASSETTE

Key Features:

- Protects fabric from weather damage
- Prevents fabric from fading
- Prevents insect and bird damage
- Awning arms retract inside cassette

The full cassette provides protection against weather elements. Additionally, it can be mounted to the wall, below the ceiling, or to the frames using different installation options.

CUSTOM COLOR CASSETTE

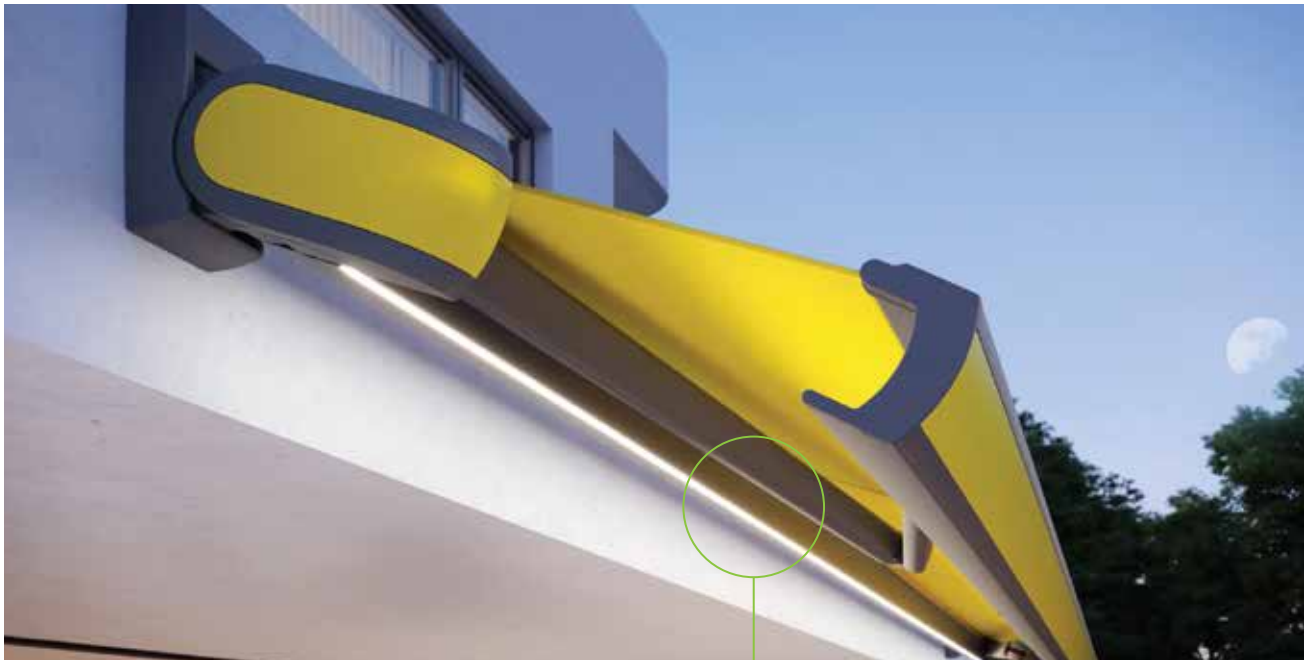

Key Features:

- Awning frame colours and eight other accent colors for the surrounding screen profile can be freely combined.
- Available with color-coordinated awning fabric recommendations on request

Discover endless color options with markilux awning frames. Choose from various frame and accent colors, including fabric recommendations and exclusive coatings for a personalized touch.

LED LIGHTING

Key Features:

- Dimmable Lighting (remote operation)
- Cassette box LED lights (optional)
- Spot Light LED lights (optional)

Elevate your evening atmosphere with integrated LED lights on your awning. Opt for either LED spotlights or a LED strip on the cassette box for customizable lighting options.
