ROTATING LOUVERS

Key Features:

- Rotate the louvers for ventilation
- Balance the light and shade

The 6-inch rotating slat effortlessly moves to create sunshade at the necessary angle, offering both ventilation and the perfect balance of light and shade as the sun travels across the sky.

Optional accessory add-ons:

- Create the perfect outdoor living space.
- Extend your outdoor living season and adopt resort-style living.

Misting System

Experience ultimate relaxation with our misting systems. Keep cool on hot days and enjoy the comfort of your pergola under a refreshing mist.

Fan System

Our team will handle the internal wiring and provide a secure mounting beam for your fan. Fan installation not included.

Heaters

Shortwave IR is an ideal solution for patio heaters, as it provides the heat required without being affected by breezes.

Lighting

Our pergolas come with an accessory option for lighting, allowing you to enjoy your outdoor space for longer. Choose between our LED strip or esme spot lighting to illuminate your pergola.

Shutter Panels

Aluminum shutters offer security, regulating light, airflow, and temperature control for outdoor living spaces.

Slat Walls

Crafted from high-quality aluminum, EuroShade slats offer a lasting solution for privacy screening.

Drop Screens

Crafted from high-quality aluminum, EuroShade slats offer a lasting solution for privacy screening.
