Many Fabric Options

EURO FULL CASSETTE

Key Features:

• The cubic box provides for a modern, linear architecture

• Protects fabric from weather damage

• Prevents insect and bird damage

• Awning arms retract inside cassette

The full cassette provides protection against weather elements. Additionally, it can be mounted to the wall, below the ceiling, or to the frames using different installation options.

FLUSH MOUNT TO WALL

Key Features:

• Wall connection profile makes for a flush transition from façade to box

• Variable bracket positioning

• The ingenious cover means that no screws are visible

The smart cover design hides screws seamlessly, even in ceiling mounts, for a clean look. The box profile includes a continuous hook for flexible wall bracket placement, laying flat on surfaces.

MANUAL OR MOTORIZED

Key Features:

• Fabric and arms retract in and out

• Standard manual operation

• Motorized operation with remote control *(optional)*

The product boasts versatile functionality, with the ability to retract the fabric and arms smoothly. It offers both standard manual operation or an optional motorized mode.
