4 Standard Colors

Many Fabric Options

SEMI-CASSETTE

Key Features:

- Protects fabric from weather damage
- Prevents fabric from fading
- Prevents insect and bird damage
- Fabric valance hides arms

The semi-cassette offers protection for both the fabric roll and motor against weather elements when not in use. Furthermore, it can be easily mounted on the wall using Standard Wall Brackets.

MANUAL DROP SHADE

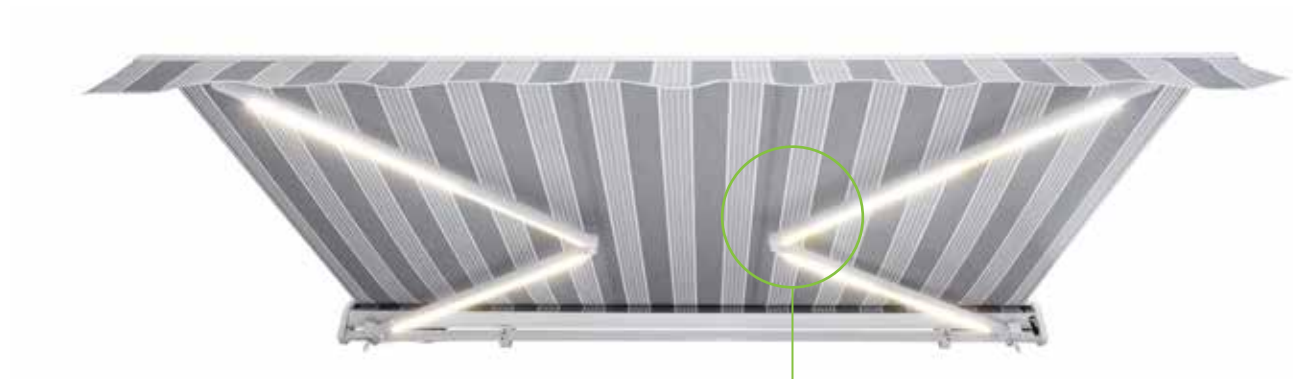

Key Features:

- Screen available in black only (*5% Sunscreen*)
- Manual operation (*"Auger style" crank operation*)
- Shade yourself from low morning/evening sun

Shield your patio and home from the sun's heat. With this feature, you can enjoy a more comfortable outdoor experience and keep your space cool and shaded from low sun angles.

LED LIGHTING

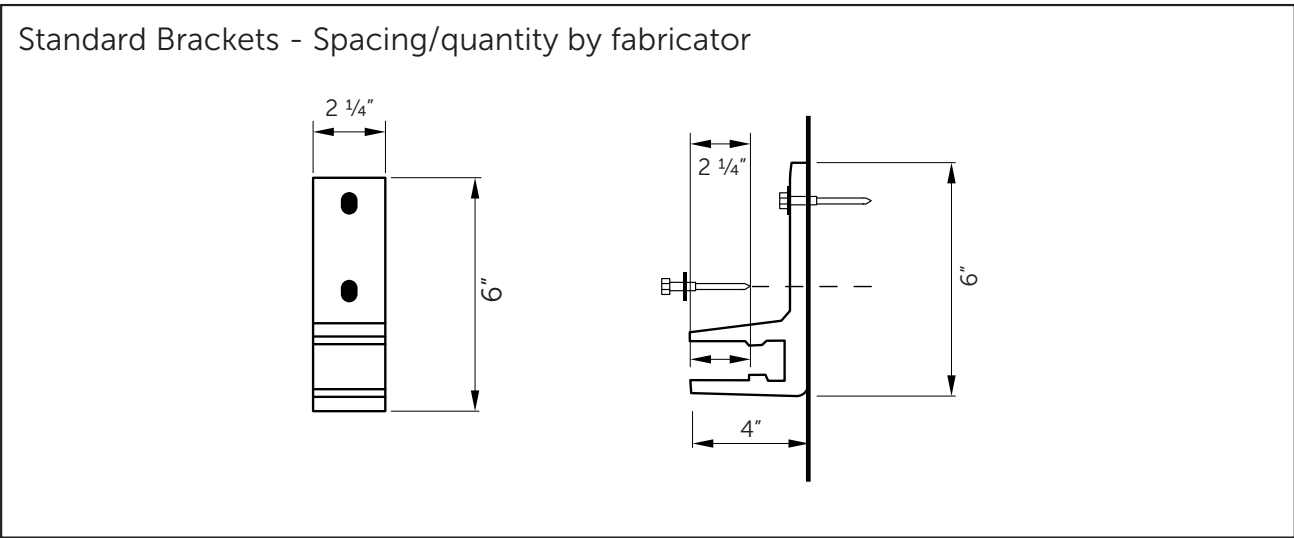

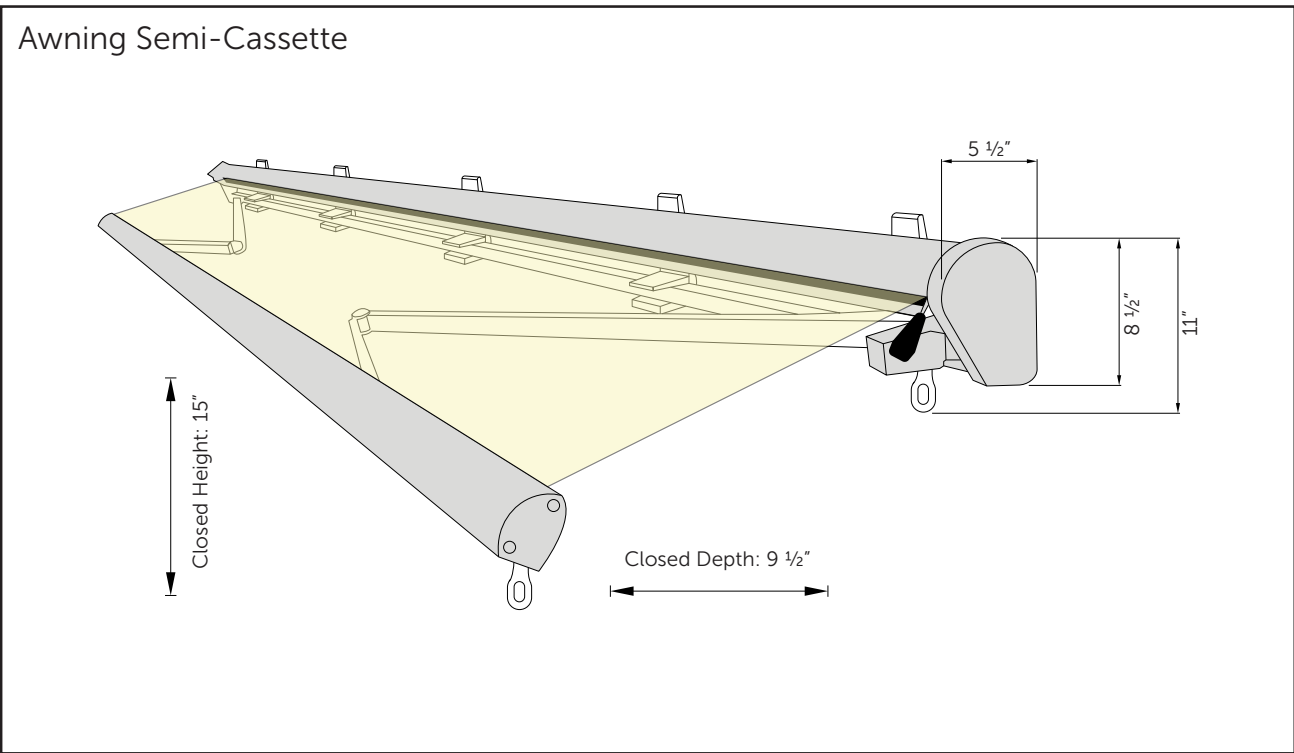

Key Features:

- Dimmable Lighting (remote operation)
- LED lights built-in arms

Enhance your evening ambiance with built-in LED lights in your awning's arms. Provide lighting directly over your patio/deck space.
