- Wind tolerance up to 40mph.

Solar Powered Motor

- Re-chargeable battery
- Optional

5 Standard Colors

Many Fabric Options

FULL CASSETTE BOX

Key Features:

- Protects the motor and fabric
- Available in 5 standard colors

When not in use, the full cassette head case shields the screen roll and motor from harsh weather conditions. The clean, enclosed design conceals all parts and gears, providing a sleek appearance while also safeguarding the motor inside the roll of fabric.

ZIP GUIDED

Key Features:

- Tight fabric appearance
- High wind tolerance (*Up to 40mph*)

Zip guided screens use an interlocking zip system when lowering, creating a more efficient barrier against insects on both sides of the shade.

MOTORIZED OR MANUAL

Motorized Key Features:

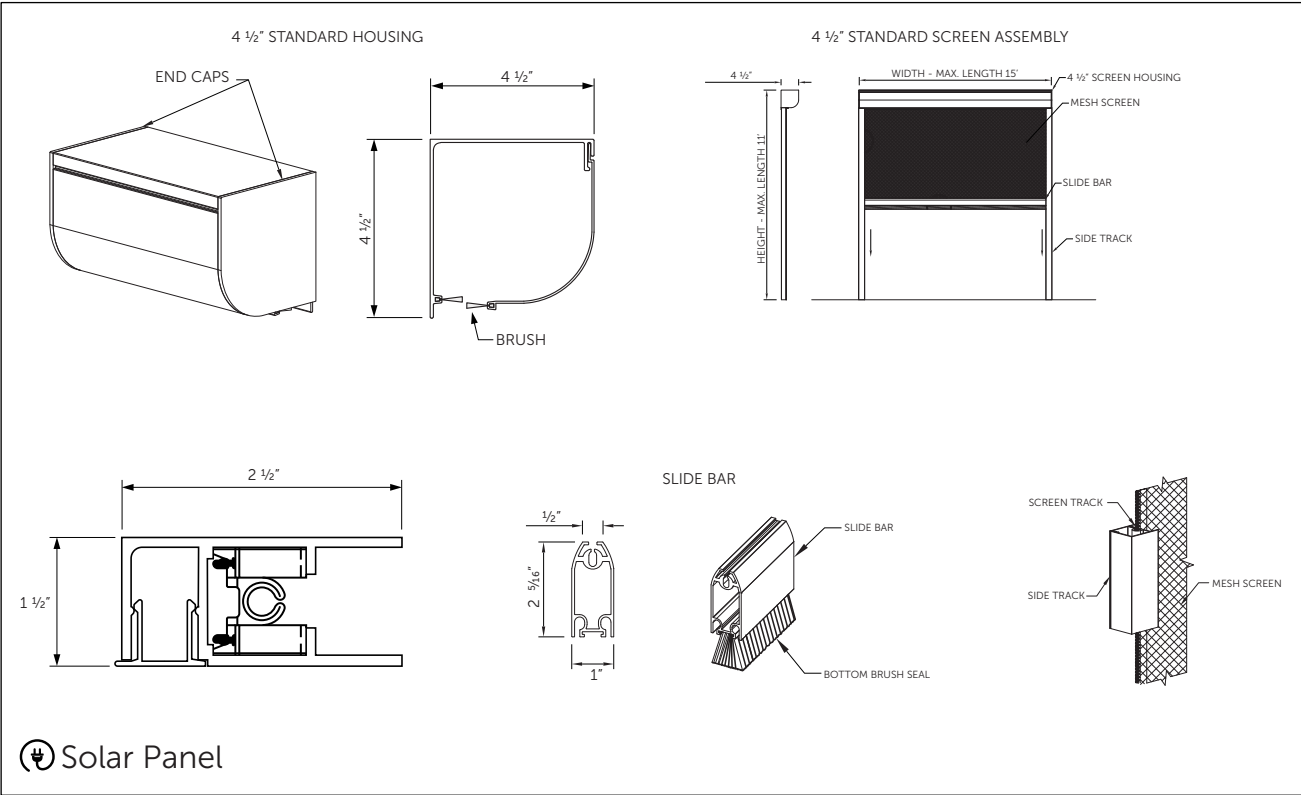

- Remote
- Convenience

Manual Key Features:

- No electrician needed.
- Lower cost option.

If you're deciding between a motorized or manual option for your shaded screen, we offer both. The manual system does not require any electrical work and is a more economical choice. While the motorized option is more convenient and comes with a user-friendly remote for adjusting the screen length.
