⚡ Electrical - 120 Volt, 5 Amp

9 Standard Colors (optional custom powder coating)

Many Fabric Options

ZIPPERED FABRIC

Key Features:

- High wind tolerance
- No light gap
- Powder coating finishes

When not in use, the full cassette head case shields the screen roll and motor from harsh weather conditions. The clean, enclosed design conceals all parts and gears, providing a sleek appearance while also safeguarding the motor inside the roll of fabric.

MULTIPLE APPLICATIONS

Key Features:

- Installation option available for outdoor use on doors
- Installation option available for outdoor use on windows
- Custom powder coating available to perfectly match your buildings

Our products are designed for outdoor use on doors and windows. They can be custom powder coated to match your buildings, providing a seamless and visually appealing integration with your existing architecture.
