ZIPPERED FABRIC

Key Features:

- High wind tolerance
- No light gap
- Powder coating finishes

When not in use, the full cassette head case shields the screen roll and motor from harsh weather conditions. The clean, enclosed design conceals all parts and gears, providing a sleek appearance while also safeguarding the motor inside the roll of fabric.

SLEEK MODERN DESIGN

Key Features:

- Cutting-edge design blending innovation with timeless appeal
- Powder-coated hardware to match patio or pergola

Its hardware can be customized with powder coating to create a cohesive look that perfectly matches your patio or pergola. Embracing a cutting-edge aesthetic, the Pergola showcases a modern design that harmonizes with the latest architectural trends, blending innovative elements with timeless appeal.

UNOBSTRUCTED VIEW

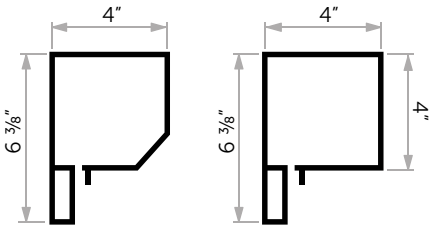

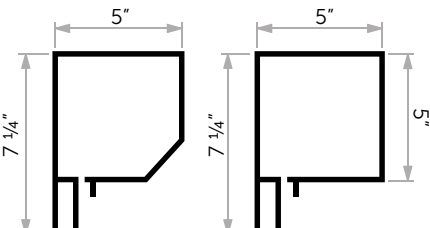

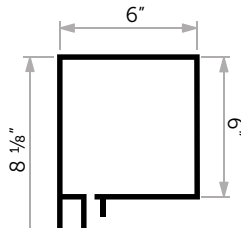

Key Features:

- Support beam-free wide openings for an expansive view
- Unobstructed view creates a grand backyard atmosphere

The wide openings of the structure, devoid of any support beams, offer a spacious and unobstructed view, amplifying the visual expansiveness. This absence of obstacles creates a captivating and grand atmosphere in your backyard, elevating the overall aesthetic appeal to new heights.
